The authors regret that incorrect images appear in Figure 3F and 6F during data arranging processes. The reprehensive invasion image for NC group in Figure 3F, and reprehensive H&E staining for ARHGAP5-OV group in Figure 6F were incorrectly displayed. Now the corrected Figure 3F and 6F are shown below. The correction made in this erratum does not affect the original conclusions or any part of the text and figure legends.
